¿WHO WE ARE?

ASOPADIS, it is an Institution without profit intentions, it was created with the vision of help and support children, adults and teenagers with disabilities respecting their civil rights. We work with people who lives in our town San Lucas Tolimán, villages and in the surroundings.

We started working in the physical therapy area and actually we work with speech therapy, we find medical support and psychology treatment with professionals and volunteer staff.

In the incorporation process we work with the parents, authorities, leaders of the communities and teachers to brake the discrimination barriers.

We already started with the process of inclusive education in the schools of our different areas.

We are part of CODEDIS and it means Departamental Coordinator of organizations for people with disabilities of Sololá. ACOPEDIS.
